Professional Summary

Aspiring Software Engineer with hands-on experience building full-stack web applications using React.js, Next.js, Node.js, MongoDB, and REST APIs. Skilled in developing responsive user interfaces, integrating backend services, and delivering scalable web solutions. Familiar with Agile development practices, CI/CD fundamentals, and modern software engineering principles. Passionate about solving real-world problems through clean and efficient code.

Technical Skills and Tools

Languages: Python, JavaScript, HTML5, CSS3, SQL

Frameworks & Technologies: React.js, Next.js, Node.js, Express.js, MongoDB, PostgreSQL, REST APIs

Tools & Technologies: Git, GitHub, VS Code, Postman, Jest, GitHub Actions

Software Engineering: Data Structures and Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks, Agile Development, Debugging, Unit Testing Fundamentals

Professional Experience

Student Mentor – Web Development

Mar 2025 – Sep 2025

Web Development Trainer - View Experience

Online

- Mentored and guided 6+ students in web development and programming fundamentals through structured project-based learning.
- Conducted training sessions covering JavaScript, React.js, debugging techniques, and software development best practices.
- Guided students through 30+ coding problems, strengthening problem-solving and algorithmic thinking skills.
- Assisted learners in implementing scalable frontend architectures and debugging complex application issues.

Elfinity Technologies

Mar 2025 – Aug 2025

Front-end Intern - View Certificate

Online

- Developed and maintained 3+ production application modules using React.js and REST APIs, improving feature delivery and application usability.
- Collaborated with developers through Git-based workflows to deliver software enhancements and bug fixes across multiple project iterations.
- Debugged frontend issues and refactored existing code, improving maintainability and reducing recurring defects.
- Participated in Agile sprint activities including task planning, implementation, testing, and review cycles.
- Integrated backend services and APIs to support dynamic content rendering and data-driven user experiences.

Academic & Personal Projects

Satvic Health - Personalized Fitness & Nutrition Web App | *React.js, Express.js, MongoDB, Node.js, TailwindCSS* | View Project

- Built a full-stack web application that generates personalized diet and fitness recommendations using questionnaire-based user profiling.
- Designed and integrated REST APIs for meal planning, habit tracking, progress monitoring, and recommendation delivery.
- Integrated REST APIs to dynamically generate personalized diet plans, workout recommendations, habit tracking, meal planners, and real-time health progress updates.
- Implemented advanced features including Smart Cart generation, daily progress heatmaps, checklist tracking to improve user engagement and usability.

Blog Management Platform | *React/Next.js, TailwindCSS, MongoDB, Firebase, Node.js*

- Developed a full-stack blogging platform with JWT authentication and role-based access control for admins and writers.
- Built reusable and responsive UI components using React hooks and Tailwind CSS for an engaging reading experience.
- Integrated Firebase Storage for efficient media uploads while storing optimized file URLs in MongoDB.
- Implemented secure article creation, editing, and publishing workflows with smooth frontend-backend integration.

Education

Sri Venkateswara University

Bachelor of Technology in Computer Science and Engineering(8.5 CGPA)

Dec 2022 – Apr 2026

Tirupati, Andhra Pradesh

Narayana Junior College

Intermediate(MPC)(93.4%)

Sep 2020 – Aug 2022

Tirupati, Andhra Pradesh

Certifications and Achievements

JavaScript Essentials

Got experience with advanced concepts of JavaScript. - By NxtWave

April 2026

Online

JavaScript

The Official certificate obtained after qualifying the required examination on JavaScript. - By NxtWave

Mar 2026

Online

Merit Certificate

Basket Ball south zone player

Jan 2025

Kerala
